Parking

Parking spaces are available in various areas around the Lufthansa Aviation training centre and at the airport. It is only permitted to park your car directly at LAT for simulator training. For this you must pick up a temporary parking permit at reception before you drive your car onto the site. To do this park your vehicle in the short-term parking zone in front of the gate and enter the site on foot through the turnstile. Then please place the parking permit clearly visible in your vehicle and drive into the regular car park area.

Resting Room

There is a Resting Room available on the Ground Floor of building 391.

Please contact the reception in building 391 for the keys.
