LAT CA conducts these seminars based on an LA CA Training Programme Proposal with exclusively generic content (without operator/type specifics).

The certificate you receive after successfully completing one of the above seminars is therefore based on the corresponding LAT CA Training Programme Proposal.

For these seminars, LAT CA cannot apply for approval at the Federal Aviation Office (Luftfahrtbundesamt), which is why we provide you with the proposal and ask you to submit it to the Federal Aviation Office (Luftfahrtbundesamt) in order to obtain confirmation that the seminar contents depicted by LAT CA meet the requirements of your operation.

If these requirements deviate from the seminar contents according to the LAT CA Training Programme Proposal, the seminar is unsuitable for meeting your training needs and requires an adjustment in terms of content or concept.
